<p><b>Notes:</b></p>   	<p><b>This program is targeted for third grade classrooms where they study Henry Ford and the moving assembly line. Steve will provide a 45-minute presentation to all the third-grade classes and then the students come outside to see different types of Model T's. <b>This is where we need other chapter members to bring their T's to show the students.</b> Lots of questions, smiles and thanks from the kids. These events are so much fun! This is a joint event with the Piquette T's and Casual T's. (We do not give rides for safety and insurance reasons.)</b></p> <p><b>Please join us!</b></p>
